Please find included with this communication, copies of an original Petition to Correct Inventorship and associated inventor paperwork and an original Request for Certificate of Correction originally submitted August 10, 2005 for the above identified patent application now issued as U.S. Patent No. 6,591,247. The Applicant is requesting that the paper file be examined for the original Petitions and that the original Petitions be processed. However, if the original Petitions are not found, the Applicant is requesting that this submission (e.g., copies of the Petition to Correct Inventorship and Request for Certificate of Correction) be processed for execution of the Correction of Inventorship and Certificate of Correction, to be considered submitted as of the original date of submission of the

original paperwork (August 10, 2005). The Applicant believes that no fees are due as any fees dues were paid with the original submission of August 11, 2005.

The Applicant, in a telephone conversation with the above identified Examiner during the week of April 30, 2207, requested that the original paper file be searched for the accompanying documents. The Examiner indicated that the paper file had to be ordered and searched for the original paperwork. The Examiner suggested, however, that copies of the original Petition to Correct Inventorship and associated inventor paperwork and Request for Certificate of Correction be submitted to prove that they were in fact submitted and in case the original paperwork could not be found in the paper file.

In response, the Applicant is herewith submitting copies of the original Petition to Correct Inventorship and associated inventor paperwork and Request for Certificate of Correction and a copy of an original Express Mail receipt to prove that the Petition to Correct Inventorship and associated inventor paperwork and Request for Certificate of Correction were originally submitted on August 10, 2005. The Applicant is, as such, herein requesting that the above identified Petitions be processed without further delay.

If the Commissioner believes that there are any unresolved issues or questions, or if the Commissioner believes a telephone interview would expedite the processing of the above identified originally filed Petitions, it is respectfully requested that the Commissioner telephone the undersigned.

No fees are believed to be due.

Respectfully submitted,

Stern et al.
